

XVIII INTERNATIONAL COAL PREPARATION CONGRESS

June 28 – July 01, 2016

St Petersburg, Russia

CONFERENCE NOTIFICATION AND CALL FOR PAPERS

Now is the time to submit your abstracts for this conference, and to start planning to be in St Petersburg in the middle of next year. Our Russian hosts are determined to deliver a strong technical program, while at the same time encouraging delegates and their partners to enjoy the delights of the wonderful, charming city of St Petersburg. Abstracts are due to be submitted by 10 May 2015.
